## UTAH STATE UNIVERSITY DEMONSTRATES LEADERSHIP

Since its founding in 1888 as part of the great family of colleges and universities known as land-grant institutions, Utah State University has demonstrated leadership in higher education, in basic and applied research and in the extension of information and service to the general public.

Today, as it approaches its 80th birthday, Utah State projects a panorama of progress that would have astounded its pioneer founders and gives promise of even greater advancements to come. The campus of 1888 with one simple building is now expanded to some 100 buildings. The initial nine-man faculty has grown to 650 and the first student body of 22 has swelled to approximately 8,500. Undergraduate and graduate studies are available through the school's eight resident colleges and the school of graduate studies, which is the fastest growing segment of the institution.

The cosmopolitan student body at USU includes students attracted from throughout the nation and world. The spacious Logan campus, located on a picturesque 4778-foot bench against the towering Wasatch Mountain range in northern Utah's Cache Valley, contains more than 260 acres.

## UTAH STATE SHOWS PRIDE IN ATHLETICS

Athletics at Utah State University have enjoyed much success for more than 60 years and in the past few seasons, particularly, USU teams have gained an enviable national reputation, not only by winning more than their share of contests against the finest teams in the country with regularity, but in the process by staging such entertaining performances that stadia are filled to capacity wherever they play.

Forward-looking USU administrators, along with a student body which believes in athletics to the extent of underwriting a special bonding assessment, are not content to rest on past laurels and have put their stamp of approval on a multi-million dollar building program which should provide added impetus for Utah State athletics.

Currently under construction is a new football stadium which initially will seat 20,000 with early expansion to increase its capacity to 35,000. It will be ready for play in 1968.

Architects are designing a multi-purpose assembly center which will provide needed accommodations for basketball and other indoor athletics in addition to special events such as fine arts programs and general assemblies. Expected to be completed by 1970, this facility will seat over 10,000.

## UNIVERSITY PRESIDENT

### DR. DARYL CHASE

Utah State University's 10th president, Dr. Daryl Chase, is a man of broad humanistic interests and scholarship. Serving in this capacity for 12 years, Dr. Chase's vision and philosophy of education have left an impact on USU. The present dynamism of the university as indicated in its enrollment, its building program, educational goals and academic standards reflects the ideals

and industry of its leader.

A native of Nephi, Utah, Dr. Chase earned his BA degree at the University of Utah and his MA and PhD at the University of Chicago. He was Dean of Students at USU from 1945 through 1951 at which time he became director of the Cedar City Branch Agricultural College and played a key role in developing this institution into an independent four-year college, the College of Southern Utah.

## DIRECTOR OF ATHLETICS

### FRANK WILLIAMS (Utah State '48)

In his fourth year as Utah State University director of athletics is Frank "Buss" Williams, a man who has worn the Aggie uniform for many years as a player and coach.

Williams, a Utah native, earned his bachelors degree from Utah State in 1948 and his masters in 1956. He was an all-Skyline conference fullback for the Aggies in 1946 and 1947 and

won the Skyline wrestling championship three years in his weight division and in 1946 finished sixth in the discus in the NCAA Championships.

After his graduation, he played professional football one year each with the New York Giants and Green Bay Packers. Williams started his coaching career in the Montana school system and coached football and wrestling at Helena, Billings and Great Falls for 10 years.

He joined the Utah State staff in 1960, serving in a variety of coaching assignments while on the Aggie campus. He coached freshman football and was head wrestling and baseball coach. He went with former Utah head coach John Ralston to Stanford in 1963.

## HEAD COACH

### LADELL ANDERSEN (Utah State '51)

Peppery Utah State University basketball coach LaDell Andersen is in his seventh year at the helm of the USU cage program. He has posted a fine overall won-lost record of 108 wins and 54 losses for an excellent .667 percentage and four of his six teams have won 20 or more games and participated in post-season tournament action.

That axiom about nice guys losing and bad guys winning just cannot apply to Andersen who is highly respected wherever he goes by his coaching colleagues, members of the communications media and, most importantly, the players who have performed under his guidance.

The 38-year old Andersen in his first three years piloted USU into the NCAA basketball playoffs all three seasons, the only USU cage mentor to accomplish this feat more than once.

Recognized as the winningest young coach in the Rocky Mountains, Andersen was chosen District Seven "Coach of the Year" in both 1961-62 and 1963-64. His six teams have posted 22-7, 20-7, 21-8, 13-12, 12-14 and 20-6 win-lost marks. His record in Logan is 69-14 while his teams have a road record of 39-40.

Andersen's credentials include three seasons of varsity play at Utah State in 1948-49, 1949-50 and 1950-51. He later was assistant basketball coach at the University of Utah under Jack Gardner from 1956 through 1961.

Coach Andersen first worked on the Utah State Nelson Fieldhouse court in 1947 when he came to the USU campus from Malad, Idaho, high school as a player on a make-good basis for Coach Joe Whitesides. Andersen made good his sophomore year during a mid-December game. Playing as a guard, he sparked an Aggie win with a nine-point scoring outburst in the final three minutes. Andersen started every Utah State game from that point through his senior year. He was selected twice as an all-Skyline guard. His best scoring game was 27 points.

Andersen played two years of service basketball at Sandia Base in New Mexico. He was a member of the all-Service team which competed in the 1952 Olympic playoffs at Madison Square Garden. Andersen joined the Denver Central Bankers in 1953 and was selected All-NIBL guard two seasons.

LaDell married the former Donna Jensen of Fort Shaw, Montana. They have a future quintet — Clint, age 16; Larry, 15; Richie 13; Bobby, 11; and Jimmy, 9. For a hobby, Coach Andersen shoots a powerful game of golf. He held the Logan Golf and Country Club course record for 18 holes with 65 strokes until it was broken in tournament play recently.

## ASSISTANT COACHES

### NORVEL HANSEN (Utah State '50)

Coach "Nog" Hansen is in his second year as strictly a basketball assistant. Previously he had served as freshman football, baseball coach and in addition handled most of the in-state recruiting for both football and basketball.

The 42-year-old Hansen is a graduate of USU, receiving his BS in 1949 and his MS in 1955. He was a three-sport letterman in football, basketball and baseball.

He was head high school coach 11 years at Bonneville, Idaho, and Helena, Montana, high schools and was named Montana high school football coach of the year in 1957. He joined the USU staff in 1962.

### DALE BROWN (Minot State '57)

In his second year at USU, Coach Brown is serving as an assistant in basketball and is heading the Utag tennis program.

Brown, 31 is a native of Minot, N. D., graduating from Minot State College in 1957 where he was the only athlete in the history of the school to earn 12 letters. He holds a masters degree from the University of Oregon.

He served as head basketball coach at Columbus, N. D., high school for two years, 1957-58 and 1958-59, was head basketball coach at Ryan high school in Minot from 1959 through 1964 and in 1965-66 coached at Palm Springs, California, high school.

### LARRY MATTHEWS (Utah State '66)

Assisting with the Utah State freshman team while performing graduate studies in history is Larry Matthews, a 1966 USU graduate and a member of the Utag varsity basketball team in 1964-65. A native of Burley, Ida., Matthews graduated from Mt. Vernon high school in Alexandria, Va.

## 1967-68 OUTLOOK

"We know we will get superb play out of Shaler Halimon, but a great deal of our success will depend on the consistency of seven-footer Larry Bunce. If the big boy has a good year USU should do well."

That is how Utah State University basketball coach LaDell Andersen viewed the 1967-68 cage campaign prior to Bunce's signing with the Anaheim Amigos of the new American Basketball Association. Now the Aggie mentor - whose teams have won 108 games and lost 54 in six years - is hoping that his superstar, Halimon, can carry the team and that overall speed and quickness can make up for a lack of height.

Enough cannot be said of the abilities of Halimon, a strong contender for All-American honors. This lithe 6-6, 190-pounder last year scored at a 23.5 point-per-game clip, fourth best in USU annals, to pace the Utags to a 20-6 record and a spot in the National Invitation Tournament in New York's Madison Square Garden.

Halimon's top scoring game last year was a 42-point effort against Brigham Young. He scored in the 30's five times and was in the 20's on 11 other occasions. His ability isn't confined to scoring alone. He is an excellent jumper which made him USU's leading rebounder, he is a strong playmaker and a fine defensive performer.

Jimmy Smith (6-3), Halimon's running mate at forward last winter, is back and must shoulder a large share of the U-State scoring load. Smith broke into the USU starting lineup at midseason last year and immediately sparked the Aggie cagers to a 12-game winning streak. He wound up the year with an 11.6 PPG scoring average, third best mark on the team.

Two other lettermen are on the 1967-68 Ag roster, forward-center Tom Stewart, a 6-6, 225-pound senior, and forward Paul Hoffman, a 6-6, 180-pound junior. Stewart was a regular at the start of his sophomore season two years ago and played a reserve role last season, while Hoffman saw heavy duty reserve action as a sophomore last year. Both are being counted upon to lend experience to the USU cause this campaign.

Tim "The Horse" Tollestrup, a husky 6-8, 215-pounder who likes the action at its roughest, is a strong candidate for the center position after leading last year's USU freshman team in scoring and rebounding with 15.0 and 12.3 averages, respectively. Paul Jeppesen, a 6-2 guard who had a 12.6 freshman scoring average, is another sophomore who could win a starting job. Also up from the frosh ranks are forwards Stan Buchanan (6-6, 12.2 PPG) and Chris Bean (6-8, 10.1 PPG).

Other candidates for the 1967-68 USU cage team are guards Dick Wade (6-0) and Steve Skinner (6-1), both of whom played freshman ball two years ago prior to serving missions for the Mormon church, and a trio of transfers - 6-4 forward-center Jessie Jefferson from Powell, Wyo., Junior College, 6-0 guard Jerry Thorson from Los Angeles State and 6-2 guard Dave Comish from Snow College.

Jim Harrop, presently playing on the USU football team and a squadman on last year's Utah State cage squad, will report for basketball at the close of the grid season.

## ALL-AMERICAN SHALER HALIMON

No. 11 . . . Guard-Forward-Center . . . 6-6, 190, 22 . . .  
Romulus, Mich. . . . Senior majoring in social work . . .  
High school coach: Al Duva.

Already classified as a superstar along with former Utah State basketball All-Americans such as the late, great Wayne Estes and current all-pro football star Cornell Green of the NFL Dallas Cowboys is USU's do-everything cager Shaler Halimon.

"While most of the coaches in the country are concocting ways to defend the great Lew Alcindor of UCLA, I'm more concerned with discovering a way to stop Utah State's Jack Gardner after Halimon had torn his team apart with a 38-point, 16-rebound performance in Salt Lake City last season.

Halimon by no means limited his brilliant play to this one game only, as his season scoring average of 23.5 per game, the 18th leading mark in the country in 1966-67, attested. He joined the elite of U-State basketball by exceeding the 40-point mark with 42 against Brigham Young. He was in the 30's five times and scored 20 or more points on 11 other occasions.

Shaler scores on practically every shot imaginable and on some which stretch the imagination. His favorite weapon is a quick jumper which is nearly impossible to defend as he flips it with a high arch from a position nearly behind his neck.

"Halimon's ability doesn't end with scoring, however," says USU coach LaDell Andersen, who is quick to add: "And that wouldn't be bad in itself." He is an excellent jumper and has great timing which makes him our top rebounder. He also is a strong playmaker (third on the team in assists), handles the ball like a 5-8 guard and is our top defensive performer."

"Supershay" will operate primarily out of the guard spot this year, a position he played in high school and junior college prior to being moved up front last season. "Expect to see Halimon anyplace on the floor," warns Andersen, "Even on the post. This guy has the rare ability to play any position, offensively and defensively, as the occasion demands."

Bob Eger, a writer for the Arizona Republic in his account of the Utah State - Arizona State game won by USU 90-59 in which Halimon garnered 27 points and 15 rebounds in a 29-minute performance, had these words of praise: "The Aggies, the hottest thing this side of UCLA, had a few things going for them - namely height, bulk, speed, depth and talent, Oh yes - they also had Shaler Halimon. Some basketball players are the plodding workhorse type. Others are speed merchants who spring for their goals like quarterhorses. Halimon is a thoroughbred, a spirited specimen who prances rather than plods."

Ted  
Owens

Jo Jo  
White

### Prospectus

The Jayhawks may well be better than last year's club which posted a second straight 23-4 record to win the Big Eight conference championship and an NCAA berth. Back in the fold are nine lettermen including all-Big Eight performers JoJo White at guard and 6-7 forward-center Rodger Bohnenstiehl. Three other full or part-time starters who will return include Vernon Vanoy (Big Eight soph-of-the-year), Bruce Sloan and Phil Harmon

## XAVIER UNIVERSITY

(Dec. 4 at Cincinnati)

LOCATION: Cincinnati, Ohio. ENROLLMENT: 5,630. PRESIDENT: Very Reverend Paul L. O'Connor, S.J. SCHOOL COLORS: National Blue and White. NICKNAME: Musketeers. HOME FIELDHOUSE: Schmidt Memorial (5,200). George  
Krajack

Tim  
O'Connell

### Prospectus

First year coach George Krajack inherits a Musketeer squad that returns four starters but lack of experienced depth might hamper an outstanding season. Best of the returnees are co-captains Bob Quick, a 6-6 leaper, and 6-1 Tim O'Connell. Quick has averaged 20 points a game for the past two seasons. Also back to try to improve on last year's 13-13 record are lettermen Joe Pangragio (5-10) and Luther Rackley (6-11).

## UNIVERSITY OF EVANSVILLE

(Dec. 11 at Logan)

LOCATION: Evansville, Indiana ENROLLMENT: 3,000. PRESIDENT: Dr. Wallace B. Graves. SCHOOL COLORS: Purple and White. NICKNAME: Purple Aces. HOME FIELDHOUSE: Roberts Municipal Stadium (13,000). Arad  
McCutchan

Tom

### Prospectus

Coach Arad McCutchan has hopes of moving the Aces back on the winning side of the ledger during the 1967-68 basketball season. Howard Pratt at 6-7 and Tom Niemeier at 6-9 will be back on the front line, with Jerry Mattingly returning for back court duty. Mike Owens and Layne Holmes are 6-4 hopefuls vying for a front line spot while Kae Moore, a 6-2 speedster, also is a top sophomore prospect.

## WICHITA STATE UNIVERSITY

(Dec. 16 at Logan)

LOCATION: Wichita, Kansas. ENROLLMENT: 11,500. PRESIDENT: Dr. Emory Lindquist. SCHOOL COLORS: Yellow and Black. NICKNAME: Shockers. HOME FIELDHOUSE: WSU Fieldhouse (10,235). HEAD COACH: Gary Thompson (Wichita '54) RECORD AT WSU: 3 years (W-52, L-31). ASSISTANT COACHES: Verlyn Anderson, Ron Heller. DIRECTOR OF ATHLETICS: Dr. Noah Allen. Gary

Warren  
Armstrong

### Prospectus

Nine lettermen from the 1966-67 Shockers return in an attempt to record the school's 16th consecutive winning season. The group includes starters Warren Armstrong, Ron Mendell and Ron Washington and part-time starter Carl Williams. At just 6-2, Armstrong holds all school rebounding records. Coach Gary Thompson feels that 5-10 Greg Carney has the potential to team with Mendell to give the Shockers a fine backcourt duo.

## SAN JOSE STATE COLLEGE

(Dec. 19 at Logan)

LOCATION: San Jose, California. ENROLLMENT: 21,000. PRESIDENT: Dr. Robert Clark. SCHOOL COLORS: Gold and White. NICKNAME: Spartans. HOME FIELDHOUSE: San Jose Civic Auditorium (3,200). HEAD COACH: Dan Glines (California '55). RECORD AT SAN JOSE STATE: 1 year (W-9, L-15). ASSISTANT COACH: Stan Morrison. DIRECTOR OF ATHLETICS: Dr. Robert Bronzan. SPORTS INFORMATION DIRECTOR: Nordy Jensen.

Dan  
Glines

Jim  
Meyers

### Prospectus

1967-68 basketball fortunes at San Jose State should be on the upswing after a dismal 9-15 mark last winter. Second year coach Glines hopes that the combination of some returning experience with classy newcomers will spell improvement to the Spartan record. Top returnee is 6-6 Jim Meyers a 10.7 scorer last year. Best of the JC transfers should be 6-1 guard Owney Williams from the College of San Mateo

## UNIVERSITY OF NOTRE DAME

(Dec. 21 at Logan)

LOCATION: Notre Dame, Indiana. ENROLLMENT: 7,250. President: Rev. Theodore M. Hesburgh, C.S.C. SCHOOL COLORS: Gold and Blue. NICKNAME: The Fighting Irish. HOME FIELDHOUSE: Notre Dame Fieldhouse (4,000). HEAD COACH: Johnny Dee (Loyola of Chicago '47). RECORD AT NOTRE DAME: 3 years (W-34, L-47). ASSISTANT COACH: Gene Sullivan. DIRECTOR OF ATHLETICS: Edward W. "Moose" Krause. SPORTS INFORMATION DIRECTOR: Roger O. Valdiserri.

Bob  
Arnzen

Johnny  
Dee

### Prospectus

The outlook is optimistic for the Irish as coach John Dee begins his fourth year as Notre Dame mentor. Dee feels that his squad has the capabilities to gain national prominence and juniors Bob Arnzen and Bob Whitmore are two reasons why. Arnzen, a forward, averaged 21.3 a game as a soph and 6-7 Whitmore was good for 16.4 after a slow start. Six other lettermen, three of them underclassmen, give the Irish bright hopes for the future.

## UNIVERSITY OF MISSOURI

(Dec. 23 at Logan)

LOCATION: Columbia, Missouri. ENROLLMENT: 30,910. CHANCELLOR: John W. Schwada. SCHOOL COLORS: Old Gold and Black. NICKNAME: Tigers. HOME FIELDHOUSE: MU (6,000). HEAD COACH: Norm Stewart (Missouri '56). RECORD AT MISSOURI: First Year. ASSISTANT COACHES: Bob Price, Roy Dewitz. DIRECTOR OF ATHLETICS: Dan Devine. SPORTS INFORMATION DIRECTOR: Bill Callahan.

Norm  
Stewart

Dave  
Bennett

### Prospectus

The Tigers are aiming to bounce back vigorously from the worst season in the school's history — (3-22) New head coach is Norm Stewart, former all-American at Mizzou (1956). Five lettermen are back, plus 6-7 Gene Jones — a junior college transfer ineligible at M.U. at semester last year. Jones was team's No. 2 scorer and leading rebounder when grounded on grades. Other returning starters include Dave Bennett, 6-2 guard; and Tom Johnson, 6-4 forward.

## AMERICAN UNIVERSITY

(Jan. 4 at Logan)

LOCATION: Washington, D.C. ENROLLMENT: 5,100. PRESIDENT: Dr. Hurst R. Anderson. SCHOOL COLORS: Red, White and Blue. NICKNAME: Eagles. HOME FIELDHOUSE: Ft. Myer (3,500). HEAD COACH: Alan H. Kyber (Furman '56) RECORD AT AU: 2 years (W-24, L-22). ASSISTANT COACHES: Joe Murphy, Les Heicher. DIRECTOR OF ATHLETICS: Robert H. Frailey. SPORTS INFORMATION DIRECTOR: Michael L. Trilling.

Alan  
Kyber

Arthur  
Beatty

### Prospectus

Since Al Kyber took over the duties as basketball coach at American U. three years ago, the Eagles have improved steadily and should this year be one of the powerhouses in the east. Reason for such optimism is the return of the entire 1966-67 starting lineup, including 7-1 Art Beatty (22.0), Ray Ruhling (20.0), Will Lucas, Gary Horkey and Terry Hill.

# LOS ANGELES CLASSIC HOLIDAY TOURNAMENT

At LA Sports Arena, Dec. 27-30, 1967

Utah State University will be one of eight teams composing a powerful field in the final edition of the Los Angeles Classic, one of the country's most prestigious holiday tournaments. The U-Staters will play St. Louis University in a first-round game on Wednesday, Dec. 27, and if they win must face the winner of the University of Minnesota — UCLA game. Teams in the other bracket are University of Iowa, University of Tennessee, University of Wyoming and host University of Southern California.

UCLA, the defending national champion, will be a prohibitive favorite to successfully defend its LA Classic crown. The Bruins under coach John Wooden posted an immaculate 30-0 record in 1966-67 for their third national title in four seasons. Last year's NCAA "Player of the Year" Lew Alcindor, the much-heralded 7-1 3/8 center, set new UCLA records with 870 points and a 29.0 average for the season and a single-game high of 61 points. Guards Lucius Allen and Mike Warren and forward Lynn Shackelford also posted double-figure scoring averages — 15.5, 12.7 and 11.4 PPG, respectively. Seven other lettermen return in addition to 1965-66 starters Mike Lynn and Edgar Lacey and some touted sophomores.

St. Louis is expected to improve on its 13-13 record of last year with a solid nucleus of veterans led by seven-foot center Rich Niemann (18.1 PPG), Eugene Moore (10.8 PPG), an all-Missouri Valley selection as a sophomore, and Barry Orms (8.8 PPG). Coach Joe Brehmer's

Billikens annually are among the top teams in the country.

Minnesota and Iowa, the Big Ten's representatives in the tourney, both have three regulars returning from last year's squads which posted 9-15 and 16-8 records, respectively. Top hands for the Gophers are Tom Kondla (24.9), LeRoy Gardner (11.3) and Wayne Barry (10.5). Pacing the Hawkeye attack will be Sam Williams (22.6), Huston Breedlove (8.4) and Chris Philips (5.7).

Tennessee and Wyoming are coming off championship seasons in the Southeastern and Western Athletic conferences. Returing starters for the Vols are Tom Beerwinkle, the school's first seven-footer (12.0), Bill Justus (11.2), Tom Hendrix (10.0) and Bill Hann (4.9). Coach Bill Strannigan's Cowboys have a host of returning stars. Forward Harry Hall was the top Wyoming scorer (18.4) while guards Mike Eberle (13.5), Bob Wilson (8.9) and Cliff Nelson (8.9) made significant contributions. Tennessee posted a 21-7 record last year while Wyoming was 15-14.

The team with the best chance of knocking off UCLA appears to be Southern Cal, if for no other reason than the 40-35 overtime scare the Trojans gave the Bruins last winter. Coach Bob Boyd has all five of his 1966-67 starters returning in the persons of Bill Hewitt (19.5), Steve Jennings (15.0), Jim Marsh (9.6), Ron Taylor (5.2) and Vince Mannino (5.0). USC had a 13-12 record last season.

## UNIVERSITY OF UTAH

(Dec. 9 at Logan, Feb. 3 at Salt Lake City)

LOCATION: Salt Lake City, Utah. ENROLLMENT: 17,500. PRESIDENT: Dr. James C. Fletcher. SCHOOL COLORS: Crimson and White. NICKNAMES: Utes, Redskins. HOME FIELDHOUSE: Einer Nielson Fieldhouse (6,000). HEAD COACH: Jack Gardner (Southern Cal '32). RECORD AT UATH: 15 years (W- 276, L-111). ASSISTANT COACHES: Jerry Pimm, George Fisher. DIRECTOR OF ATHLETICS: James R. "Bud" Jack. SPORTS INFORMATION DIRECTOR: Ron Fessenden.

Jack  
Gardner

Merv  
Jackson

### Prospectus

Coach Jack Gardner, beginning his 15th year at the Utah helm, welcomes back eight lettermen, including starters Merv "The Magician" Jackson, Jeff Ockle, Lyndon McKay, and Walt Simon. Jackson led the 1966-67 Utes in scoring with a 19.3 norm. If the Utes can compensate for the loss of 6-8 center DeWitt Menyard because of eligibility ruling, last year's 15-11 record could be improved upon.

## BRIGHAM YOUNG UNIVERSITY

(Jan. 6 at Provo, Feb. 1 at Logan)

LOCATION: Provo, Utah. ENROLLMENT: 20,000. PRESIDENT: Dr. Ernest L. Wilkinson. SCHOOL COLORS: Royal Blue and White. NICKNAME: Cougars. HOME FIELDHOUSE: George Albert Smith (10,400). HEAD COACH: Stan Watts (BYU '38). RECORD AT BYU: 18 years (W-329, L-198) ASSISTANT COACH: Alan "Pete" Witbeck. DIRECTOR OF ATHLETICS: Floyd Millet. SPORTS INFORMATION DIRECTOR: Dave Schulthess.

Stan  
Watts

Marty  
Lythgoe

### Prospectus

A talented front line consisting of juniors Kari Liimo and Marty Lythgoe, and senior center Jim Eakins will make up the bulk of BYU's returning experience as the Cougars attempt to retain the WAC championship that they shared with Wyoming last year. Development of inexperienced material at the guard line will be a big factor in the Cougar season outcome.

## SEATTLE UNIVERSITY

(Jan. 13 at Logan, Mar. 2 at Seattle)

LOCATION: Seattle, Washington. ENROLLMENT: 4,000. PRESIDENT: Very Reverend John A. Fitterer, S.J. SCHOOL COLORS: Scarlet and White. NICKNAMES: Chieftains, Chiefs. HOME FIELDHOUSE: Seattle Center Coliseum (12,852). HEAD COACH: Morris "Bucky" Buckwalter (Utah '56). RECORD AT SU: First Year. ASSISTANT COACH: Bernie Simpson (California '59). DIRECTOR OF ATHLETICS: Eddie O'Brien. SPORTS INFORMATION DIRECTOR: Pat J. Hayes.

Morris  
Buckwalter

Steve  
Looney

### Prospectus

New coach Morris Buckwalter, formerly an assistant to Jack Gardner at Utah, will blend three lettermen — 6-0 guard Steve Looney, 6-3 forward John Wilkins and 6-6 forward Jim LaCour — with a group of youngsters possessing great individual talent. Leapin' Lou West is a 6-3 transfer from College of Eastern Utah and will start along with 6-9 Dick Brenneman from Allen Hancock JC.

## UNIVERSITY OF DENVER

(Jan. 18 at Denver, Feb. 24 at Logan)

LOCATION: Denver, Colorado. ENROLLMENT: 7,500. PRESIDENT: Maurice Mitchell. SCHOOL COLORS: Crimson and Gold. NICKNAME: Pioneers. HOME FIELDHOUSE: University of Denver Fieldhouse (3,000). HEAD COACH: Troy Bledsoe (Hendrix '49). RECORD AT DU: 5 years (W-50, L-76) ASSISTANT COACH: George Roderick. DIRECTOR OF ATHLETICS: Hoyt Brawner. SPORTS INFORMATION DIRECTOR: William B. Gullion

Troy  
Bledsoe

Harry  
Hollines

### Prospectus

The watchword will be speed for Troy Bledsoe's squad this year as all-American Harry Hollines teams with first year speedster Horace Kearney to give the Pioneers one of the finest guard lines in the mountain area. Hollines has averaged better than 25 points a game in his first two years at Denver. Other letter winners include 6-10 center Brian Clare, Rick Callahan, Keith Strohmman and Al White.

## COLORADO STATE UNIVERSITY

(Jan. 20 at Ft. Collins, Feb. 17 at Logan)

LOCATION: Fort Collins, Colorado. ENROLLMENT: 13,700. PRESIDENT: Dr. W. E. Morgan. SCHOOL COLORS: Green and Gold. NICKNAME: Rams. HOME FIELDHOUSE: CSU Auditorium (9,520). HEAD COACH: Jim Williams (Utah State '47). RECORD AT CSU: 13 years (W-182, L-132). ASSISTANT COACHES: Boyd "Tiny" Grant, Irv Ferguson. DIRECTOR OF ATHLETICS: Jim Williams. SPORTS INFORMATION DIRECTOR: Dick Smelser.

Jim Williams

Cliff Shegogg

### Prospectus

CSU's 1967-68 basketball team should be very respectable. Two of the returnees from last year's team which posted a 14-10 record — forward Cliff Shegogg (6-5) and guard Floyd Kerr (6-2) — were regulars much of the time. They, along with center Mike Davis (6-10), guard Lloyd Kerr (Floyd's 6-2 twin), guard Tom Nowicki (6-0), and forward Martin Hess (6-6), will form an all-junior nucleus.

## MONTANA STATE UNIVERSITY

(Dec. 6 at Logan, Jan. 29 at Bozeman)

LOCATION: Bozeman, Montana. ENROLLMENT: 6,300. PRESIDENT: Dr. Leon H. Johnson. SCHOOL COLORS: Blue and Gold. NICKNAME: Bobcats. HOME FIELDHOUSE: MSU Fieldhouse (11,000). HEAD COACH: Roger Craft (Kansas State '56). RECORD AT MSU: 5 years (W-65, L-60). ASSISTANT COACH: Andy Matson. DIRECTOR OF ATHLETICS: Gene Bourdet. SPORTS INFORMATION DIRECTOR: Ken Nicholson.

Roger Craft

Jack Gillespie

### Prospectus

Montana State will be counting on 6-9 Jack Gillespie and 6-6 Greg Harris — a couple of classy juniors — to help it improve upon last year's 14-11 record. MSU won the All-College tourney last year and tied for the Big Sky Conference championship with a 7-3 record. If Coach Roger Craft can come up with a guard to team with letterman Warren Daniels, the Bobcats could be tough to deal with.

## ARIZONA STATE UNIVERSITY

(Feb. 10 at Logan)

LOCATION: Tempe, Arizona 85281. ENROLLMENT: 22,500. PRESIDENT: Dr. G. Homer Durham. SCHOOL COLORS: Maroon and Gold. NICKNAME: Sun Devils. HOME FIELDHOUSE: Sun Devils (4,609). HEAD COACH: Ned Wulk (LaCrosse '42). RECORD AT ASU: 10 years (W-166, L-102). ASSISTANT COACHES: Bill Mann, Bruce Haroldson. DIRECTOR OF ATHLETICS: Clyde B. Smith. SPORTS INFORMATION DIRECTOR: Dick Mullins.

Ned Wulk

Roger Detter

### Prospectus

ASU faithful feel that with six lettermen and eight sophomores on the 1967-68 Sun Devil squad, coach Ned Wulk will put the "Run" into Arizona State basketball and take the "lose" out. Good-looking returnees include Roger Detter, second leading scorer last season; 6-11 Bob Edwards, leading rebounder; Frank Bailey, third leading scorer; Willie Harris; Jeff Mackey and Marion Tutt.

## UNIVERSITY OF PORTLAND

(Mar. 4 at Portland)

LOCATION: Portland, Oregon. ENROLLMENT: 1,850. PRESIDENT: Paul Waldschmidt C.S.C. SCHOOL COLORS: Purple and White. NICKNAME: Pilots. HOME FIELDHOUSE: Memorial Coliseum (13,000). HEAD COACH: Bill Turner (Stanford '53). RECORD AT UP: First Year. ASSISTANT COACH: Joe Etzel. DIRECTOR OF ATHLETICS: Albert Negratti. SPORTS INFORMATION DIRECTOR: Bill Rose.

Bill Turner

Paul Gloden

### Prospectus

It's hard to say at present who new first year coach Bill Turner will have in the way of JC transfers this year. However, he will undoubtedly come up with some. Paul Gloden, UP's hard working backcourt playmaker returns for his senior year. This year's schedule is the toughest ever attempted by UP and will certainly challenge Coach Turner.

## USU ALL-AMERICANS

WAYNE ESTES — 62-63, 63-64, 64-65 — Anaconda, Mont.

February 8, 1965. That's a date that never will be forgotten by anyone associated with Utah State University and the cities of Logan, Utah, and Anaconda, Montana, and for that matter the entire basketball world.

For it was on that fateful night, less than two hours after the greatest game of his career, that Utah State's fantastic All-American basketball player Wayne Estes was electrocuted in a freak accident near the USU campus.

Easily the best individual drawing card in the Rocky Mountain - Southwest region for three seasons, Estes earned this reputation by averaging 26.7 points per game in 75 contests against some of the rough-

est competition in the nation.

He was a consensus All-American selection as a senior when he wound up as the nation's second-leading scorer with a 33.7 scoring average. He also was fourth in free throw marksmanship, connecting on 87.8 per cent, and was the country's 24th leading rebounder, picking off 13.7 per game.

Even as a junior in 1963-64 Estes made four All-American teams. He set four season scoring records that year — 821 points, 309 field goals, 85.3% on free throws and a 28.3 scoring average.

As a sophomore he was recognized widely as one of the top collegiate players west of the Mississippi by averaging 20 points per game.

Estes set a flock of new single game, season and career scoring records, most of which will stand for many years to come. Most significant of his accomplishments was the fact that he scored 2,001 points, the only player in USU history to crack the 2000-point barrier, and only the 18th player in the nation to do so.

Held under 10 points only once in his entire career, Estes had 31 20-point games, 18 30-point nights, 7 40-point outputs, and a USU single-game high of 52 points against Boston College in the Rainbow Classic in Hawaii.

A fantastic shooter who fired away at a near-50 per cent clip for three years, Estes was one of the few collegians who had all the shots — the set, the jump, key and baseline hooks, power shots and fast break layups.

USU's do-everything cager was at his best when the chips were down. Some of his best scoring games came when he was pressured most.

CORNELL GREEN — 59-60, 60-61, 61-62 — Richmond, California

For three seasons, Cornell Green was the big fist in basketball. He funneled 1,890 points through the hoop, an average 22.5 per outing over 84 games. His overall field goal percentage was .466 per cent.

He was three times selected All-Skyline and gained All-American recognition as a sophomore and senior. He set every Aggie offensive record.

Green was held under 10 points only once in his Aggie career, an eight point effort against Houston. He counted 11 30-point games and had a single night high of 46 points.

He had an array of moves and shots that ranged from quick reverse pivots from under the hoop to overpowering physical strength as a rebounder and tap shot artist. On the floor he was seemingly oblivious to anything but basketball.

Green's record tells the story of his worth to two of Utah State's greatest basketball years, the 1959-60 season and the 1961-62 campaign.

MAX PERRY — 58-59, 59-60, 60-61 — Columbus, Indiana

An All-American selection in 1959-60, Max Perry for three seasons was the Aggie floor coach, playmaker, feeder, rally starter and outside firepower. Called "Max the Magician" by the Utah press, he was voted United Press International "Small America" first team, Helms Athletic Foundation All-America, and twice was honored All-Skyline first team.

One of the great guards of Utah hoop history, the 5-foot-10 pepper-pot set three school career records for guard play. Perry scored 505 field goals, tallied 1,236 points in three varsity seasons, and averaged 15.6 points for 79 varsity games. As a scorer, he favored a two-hand set shot at 25-30 foot range and a jumper from the key. As a feeder, behind-the-back fast break passes and blind over-the-shoulder flips were his trademark.

Perry was the first Utah State player ever to score a 40-point game. He counted

45 against New Mexico and tallied a record 20 field goals en route. As a junior he was voted Most Valuable Player of the 24th Annual All-College tourney at Oklahoma City.

## DUSTING OFF THE BACKBOARDS

Coach LaDell Andersen is the ninth Aggie head basketball coach. His 22-7 record of 1961-62 is the best first-year record ever compiled by a Utah basketball coach. Andersen also is the only Utah State coach who has put 20-game winning hoop seasons back-to-back.

Andersen replaced H. Cecil Baker who was retired at the end of the 1960-61 season after 11 campaigns. The Aggies with Baker won 157 games, lost 142, for a .525 percentage.

There were two highly successful seasons in Baker's coaching career at Utah State. The 1958-59 Aggies posted a 19-7 record, and the 1959-60 team finished 24-5 and third in the National Invitational Tournament. During these two seasons Utah State won 15 straight home games.

Clayton T. Teetzel was the first to be hired in 1909. The Michigan graduate in five seasons compiled a 22-19 record.

From 1915 through 1919, Joseph K. Jensen coached the Aggie hoopsters. He finished with a five season record of 17-16.

E. Lowell Romney guided the Aggies through the next 22 basketball seasons and won championships in 1926, 1935 and 1936.

The 1936 Aggie team played in the Olympic playoffs after winning two of three bracket games from previously undefeated Kansas. The 1939 Utah State team finished third in the NCAA play-offs at the San Francisco World's Fair. Romney's 22 season basketball record was 225 wins, and 159 defeats.

Robert W. Burnett coached the Aggies to a 6-10 record during the 1941-42 season, and D. D. Young had two war year teams which won 24, lost 17.

In 1945-56, H. B. Lee, now athletic director at Kansas State University, took over Aggie basketball and in two campaigns won 21 games, lost 22.

Joe Whitesides coached three seasons after Lee and compiled a 36-54 record before yielding the coaching duties to Coach Cecil Baker following the 1949-50 season.

## USU SCORING LEADERS

The late, great All-American Wayne Estes holds the Utah State career record in total points scored. In three seasons (1962-63, 1963-64 and 1964-65) he scored 2,001 points.

Another All-American, Cornell Green, previously held the career scoring mark with 1890 points and is the only other Aggie player to have scored more than 500 points per season for three consecutive years.

Six other Aggies have scored over 500 points during a single season—Burt Cook in 1950-51 and 1951-52, Darrell Tucker in 1952-53, Bob Ipsen in 1958-59, Troy Collier in 1963-64, LeRoy Walker in 1964-65, and Shaler Halimon in 1966-67.
